## NEW ERA REPORT

Rev. Earle A. Brooks presented the report of the New Era Committee, showing that the "New Era" was no longer an experiment but a well established institution and has brought to the Church many helps and blessings. Not only in substantial increase in the funds of our boards and agencies but also in local Church support. The growth in spiritual things being indicated by the addition of 122,231 persons to the Church on profession of faith.

Rev. Nevin D. Bartholomew, district secretary of the General Assembly Committee on the New Era supplimented the report by an earnest appeal to carry on the full budget and aims of the "New Era."

The following resolutions were adopted:

1. That we record our profound gratitude over the large increase of our membership and for the augmented gifts to Benevolences and our general Church work, and the rising tide of determination to carry out the expanding program of our great denomination.

2. That we encourage every Pastor and Session to teach the principles and faithful practice of Christian Stewardship, both of life and possessions.

3. That we urge every Church to carry forward an effective program of Missionary Education. This may be done by sermons, individual study, Study Classes, Schools of Missions, Missionary Programs, Pageants and Expositions.

4. That we commend the use of the set of charts that has been provided for publicity purposes.

5. That we use our influence to make the new "Presbyterian Magazine" a real success.

6. That we commend the faithfulness of the New Era Committees in our four Presbyteries, and suggest that they earnestly further the foregoing resolutions.

7. That we authorize Synod's New Era Committee to promote the plans of the New Era Movement within the bounds of our Synod, and to work in harmony with the suggestions of our competent District Superintendent, Rev. Nevin D. Bartholomew.

8. That, in view of the fact that \$6,000.00 was added to our New Era Budget for the sake of promoting our Home Mission work in New England, the synod of New England directs that Mr. A. R. Nichol, Treasurer of the New Era Movement, set aside 43.56% of all undesignated monies received by him from our New England Churches and that the same be sent to our Home Mission Treasurer, and that the remainder of our gifts be divided according to the ratio fixed by our Budget.

The Lord's Supper was observed by Synod and the Woman's Synodical participating. The Moderator, Alexander Allison, Jr., assisted by Rev. Daniel Nicholson and Rev. John Allison administered the supper.

Foreign Missions was presented by the Chairman, Rev. Charles Allen Fisher, in which the graveness of the hour was impressed upon Synod. The war instead of ultimately bringing peace has left the world in a terrible state of unrest, the same old story of distrust, suspicion and secret intrigue is too terribly evident, and more and more is impressed the fact that the only hope for mankind lies in the Gospel of our Blessed Lord. Political leaders are asking more and more the advice of our Missionaries. A new freedom to proclaim the Gospel is without parallel. Our force in the foreign field consisted the past year of

1531 Missionaries,  
7356 Native workers,  
4661 Churches and groups,  
187047 Communicants,  
387802 Adherents,  
88464 Trained students,  
2322 Schools and Colleges,  
167 Hospitals,  
30891 Inpatients,  
721782 Out patient visits.

Dr. Stanley White, of the Board of Foreign Missions, addressed Synod on the Solemnity and yet glorious opportunity of this hour in a heart challenging address.

The following resolutions were adopted:

1. That we enter into a more extensive and intensive study of Foreign Missions in our Churches, Sunday Schools and Young Peoples Societies.
2. That we lead our people in the spirit of sacrificial giving, and stand unfailingly behind our men and women at the front by raising our entire budget.
3. That we urge the Pastors, our Sunday School teachers and parents to present the call for life work to the young men and women of our Churches, "The fields are ripe unto harvest but the laborers are few."

---

A popular meeting was held at 7.45. Mrs. M. J. Gildersleeve presented the extended and splendid work of the Woman's Board of Home Missions.

Dr. John A. Marquis, General Secretary of the Board of Home Missions, spoke upon the need of the hour "The Christian spirit of respect, faith, trust and love must supplant the Pagan spirit of fear, distrust and hate."

## WEDNESDAY MORNING

Devotional exercises were conducted by Rev. R. R. White.

### HOME MISSIONS

The report for the committee on Home Missions was presented by Dr. Allan McD. Paterson. Recommendations adopted. Dr. John A. Marquis spoke upon the report also presenting the action of the General Assembly requesting one dollar per member to clear off the debt incurred through the Inter Church World movement. A resolution to that effect was adopted:

Resolved, that two committees be appointed on Education and Program.

1. The Education Committee shall prepare such material relative to the New England home mission situation as can be used by the Board of Home Missions in the form of literature, lectures and slides for educational purposes in New England.

2. The Program Committee shall prepare a survey of New England conditions and make analysis of same; and on this basis shall prepare a five year program for the Synod in order that definite steps forward may be contemplated each year.

Approve a budget for 1922—1923 of \$13,332.00 to be presented by the Synodical chairman to the Board of Home Missions.

In addition this budget is to be divided 90% for New England Home Mission purposes and 10% for the work of the Board of Home Mission outside New England.

Approve appropriation of \$300 for the work at Bloomingdale, Worcester.

### NARRATIVE

Rev. George Warren presented a most excellent narrative in spite of the fact that at least two of the Presbyteries failed in forwarding their narrative to him.

### CHURCH MEMBERSHIP.

The statistical report shows that Synod added last year 909 on examination against 803 in 1920 or an increase of 12 plus %, that we have in our churches 13,849 communicant members against 13,369 members reported a year ago—a gain of 4 plus %,. The churches placed upon the suspended roll 512 names which is 30 less than in 1920. But even this is far too many and it is disheartening to think that every nine members we welcome into membership we see 5 slip away from the Church.

### FINANCE

Pastors report that they are regularly paid but *none* complains that he is *over*-paid. The finances of the churches for the most part are in good shape. It is gratifying to know that most pastors salaries were raised during or since the war, but the minimum is still below the necessities in the case.

## MISSIONS AND BENEVOLENCES.

Now we begin to take heart. The answers are cheering and so are the figures.

Yr.	H. M.	F. M.	Ed.	S. S. Wk.
1921	20,017	21,720	5,432	2,696
1920	12,526	16,234	2,688	1,991
1915	7,430	7,282	589	1,366

S. Turner Foster presented three resolutions:

1st in regards to changing the time of Synod;

2nd That three days' program for Synod be prepared by the Executive Commission;

3rd That a traveling fund for delegates to Synod be created.

This was referred to the Executive Commission who reported at a later hour that a questionnaire will be sent to all the Churches containing the three resolutions. This was adopted.

## EVANGELISM

Rev. John A. McClelland reported for Evangelism, Vacancy and Supply, Bible society.

Your committee on Evangelism, Bible Society, Vacancy and Supply would respectfully report our findings along these lines. Our inquiries lead us to conclude that most of our churches, have been doing aggressive work, but the indications as shown in reports remind us that there is yet much land to be possessed. The Presbytery of Boston added on confession of faith during the year, 286, and suspended 325. Connecticut Valley added 275, and suspended 70, Newburyport added 172 and suspended 43, Providence added 176 and suspended 74, total additions on confession for the Synod 909, total suspensions for Synod, 512.

## VACANCY AND SUPPLY.

Boston Presbytery has four vacant pulpits. This Presbytery at a recent meeting erected a committee of Vacancy and Supply, and we pray that this committee may be given great wisdom as they proceed in the arduous work of helping pastorless churches to secure a leader.

Connecticut Valley reports no vacancies, Newburyport reports no vacant churches that can call a pastor. Providence has no vacancies, and every church has a pastor.

It is surely a matter for prayerful consideration when we remember that in the whole Synod we have only two candidates for the ministry.

Boston Presbytery has four vacant pulpits, and not a single student as far as we can learn at present, preparing for the ministry. Our schools are preparing hundreds for other positions, but with all our opportunities the school of the Prophets are without recruits.

## AMERICAN BIBLE SOCIETY.

To the work of the American Bible Society during the past year, Boston Presbytery contributed \$90 from 10 churches, Connecticut Valley \$218 from six churches, Newburyport \$64 from 14 churches, the German church being the largest contributor, Providence, \$116, every church contributing something to this great cause.

### RESOLUTIONS ADOPTED

1. That during the Fall and Winter in all churches of our Synod the matter of Pastoral Evangelism be stressed, endeavoring to reclaim those on our Suspended Roll,

2. That as ministers and elders we shall renew our own consecration, and lose no opportunity of setting before our young men the great joy and service of the ministry,

3. That we shall by word and gift show to the American Bible Society, our deep appreciation of their great work, as a most able allel of the Church,

Respectfully submitted,

JOHN A. McCLELLAND, Chairman.

The Woman's Synodical presented their report through Rev. Joseph Kennedy, showing the splendid work being done by the Woman's Board; this was heartily received by Synod.

Dr. Thomas Turner was elected Treasurer for a term of three years.

Dr. Charles MacDonald addressed Synod at Luncheon on Men's Work, and the report of Committee Social Service Brotherhood, Temperance, Lords Day, was presented by the Chairman, M. D. Kneeland:

## MEN'S WORK

1. That the Synod urges Sessions in all our Churches to avail themselves of the help its Committee on Men's Work offers for stimulating existing men's organizations, or setting up new ones, for constructive programs of activities in the Churches.

2. That the Synod reminds Presbyteries of the urgent need to appoint

on Committees on Men's Work, men who have Men's Organized Work in their own Churches.

3. That while the Synod commends the Churches for increased contributions to the Men's Work during the past year, it reminds them that the present budget is inadequate to meet the needs in Men's Work.

4. That the Synod requests all Sessions that designate funds for the Boards and other Permanent Agencies to include Men's Work in such designation in order that the Men's Work shall receive its Assembly percentage.

5. That the Synod urges Presbyterian Men everywhere to renewed consecration of time and money for the work of their own local Churches, and for the Boards and other Agencies of their own Church.

#### TEMPERANCE.

1. That this Body records its loyalty to the 18th Amendment to the Constitution of the U. S.

2. That it calls upon its Pastors and Members of our Churches to resist all effort to nullify or repeal this amendment.

#### LORD'S DAY

That this Body calls the attention of the Pastors to the action of the General Assembly placing the Lords Day Alliance upon its regular lists of agencies.

#### RELIGIOUS EDUCATION

Presented by Dr. Edward Weaver and supplemented by a very strong appeal by Dr. Edgar Hill, General Secretary of Education.

#### RESOLUTIONS OF COMMITTEE ON RELIGIOUS EDUCATION.

Synod of New England, October 26, 1921.

1. That Synod expresses its appreciation of the General Board of Education's appropriation of \$2,250 toward the support of a student-pastor for the Greater Boston District and its willingness to take further measures at once to insure the settlement of such a man.

2. That it gives its sanction to the Committee on Religious Education to select two representatives, one clerical, to serve for two years, and one lay to serve for three years, to serve as members of the Advisory Board for Christian Work, at New Hampshire College; also to select one clerical representative to serve on the Advisory Board of University of Vermont. That the General Board of Education be requested to appropriate \$250 for Christian Work at New Hampshire College and \$150 for the work at the University of Vermont.

3. That Synod counsels all ministers and other Christian leaders within its bounds to study the great and promising movement of Week-day Religious Education and urges all its churches and communities in position to do so effectively, to undertake this work at the earliest possible moment.

4. That Synod instruct its Committee on Religious Education to survey the situation for a Young People's Summer Conference on Religious Education, and, if it seems advisable, to ask the Board of Publication and Sabbath School Work to proceed to carry out its Suggestion of establishing such a Conference in New England.

5. That in view of the pressing needs in New England, especially of neglected fields out of reach of established churches and Sunday schools, Synod commends most heartily the work our Sunday School Missionary is doing, and instructs the Committee on Religious Education to seek the closest co-operation of the other evangelical denominations with us in this enterprise.

6. That Synod expresses its appreciation of the faithful and efficient services of Rev. J. K. MacGillivray, and requests his reappointment by the Board as Synodical Sunday School Missionary for another year.

7. That in view of the importance of holding at least two meetings, one at some time before the meeting of Synod, Synod appropriate fifteen dollars toward the expense of the meeting of the committee.

Rev. John K. MacGillivray Sunday School Missionary for New England, presented the great opportunity for definite work in the establishment of Sunday Schools in hundreds of needy fields in New England.

#### JUDICAL CASE.

To The Synod of New England,  
In Session at Newburyport,  
October 25-26, 1921.  
Fathers and Brethern,

The subscriber a member of the Presbytery of Boston respectfully complains to the Synod of New England against the action of the Presbytery of Boston, in special session October 17, 1921, in receiving and adopting the report of the Executive Committee of Presbytery, presented by its Chairman, the Rev. Norman MacQueen.

1. The report was submitted unsigned and at least one member was never asked to sign it, and never saw it until he asked permission of the Chairman to see it.

2. The report is the findings of the Committee to whom was submitted at the Fall Meeting of Presbytery, a petition from members of the Brookline Church praying for the removal of Mr. Curtis, who has been occupying the pulpit for several months. The Committee asked for further time to consider the petition which was granted by Presbytery but now in its report makes no mention of the paper which was placed in its hands.

3. The report begins with reference to the evident irregularities but cites none whatever.

4. Presbytery places the whole matter in the hands of the Vacancy and Supply Committee with instructions:

a. To proceed to call a pastor. Already there is a call before Presbytery given by the Brookline congregation, given unanimously at a duly called meeting, properly moderated, signed and attested, and presented to Presbytery by duly constituted commissioners. This call was placed in the hands of the Executive Committee after being received and the Committee reported that it be laid on the table pending the reception of credentials from England.

b. That a member of the Vacaney and Supply Committee serve as Moderator of Session.

c. Mr. Curtis cannot be a candidate for any Presbyterian pulpit until the expiration of his years's probation and reception by Presbytery. This places an unjust and illegal limitation upon Mr. Curtis' privileges as an ordained minister. Page 467, Constitution Presbyterian Church expressly states that the probationer may perform every part of his ministerial functions except to vote and accept a call for settlement. He has as much a right, as a probationer of the Presbytery of Boston to candidate if he sees fit as any member of Presbytery.

Respectfully submitted,

(Signed) GEORGE W. WARREN, Complainant.

#### REPORT OF SYNOD'S COMMITTEE ON JUDICIAL BUSINESS.

The Committee on Judicial Business has had before it but one case, upon which they beg leave to report as follows:

Count 1. We recommend that the complaint be not approved.

Count 2. We recommend that the complaint be approved, in that the Executive Committee of the Presbytery failed to make a report upon a petition which the Presbytery had placed in its hands for consideration.

Count 3. We recommend that the complaint be approved.

Count 4. a. We recommend that the complaint be not approved, since the action taken by the Presbytery was an effort to correct the previous errors of procedure on the part of both the Presbytery and the Church.

b. We recommend that the complaint be not approved, as such action is within the powers of the Presbytery.

c. We recommend that the complaint be approved, since the Presbytery, as would appear in the wording of this resolution, exceeded the authority conferred upon it by the Constitution of the Church.

The above action of your committee was adopted seriatim and as a whole, the entire committee being present and voting unanimously.

(Signed) ROBERT R. WHITE, Chairman.

This report was received, adopted seriatim, and then adopted as a whole by Synod.

---

Providence first was chosen for the place of meeting, Oct. 24 and 25th, 1922.

Resolutions appreciative of the hospitality of the congregation in entertaining Synod and the Woman's Synodical were adopted.

Synod adjourned with a benediction by the Moderator.

ALLAN McD. PATERSON, Permanent Clerk.

JOHN A. McCLELLAND, Temporary Clerk.

## MINUTES OF THE WOMEN'S SYNODICAL SOCIETY.

**October 25th and 26th, 1921.**

The Tenth Meeting of the Synodical Society was held in the Old South Church, Newburyport, Mass., October 25th and 26th, 1921. The opening session on Tuesday, October 25th, was convened at 2.30 p. m., by the president, Mrs. A. McDonald Paterson. Prayer was offered by Mrs. Francis Laird of West Barnet, Vt. A very cordial welcome was extended by Mrs. C. J. G. Winder of Newburyport, and Mrs. David McInnes, of Boston, responded.

The minutes of the last meeting and of the Executive session were read and approved. The review of the year's work which included the reports of the various secretaries was given and were accepted as a whole.

The report of the Nominating Committee was made and after the secretary had cast one ballot the new officers were declared elected and a short but impressive installation ceremony was conducted by Mrs. Gildersleeve of New York. The president then appointed the following committees: Resolutions, Mrs. M. E. Bell. Nominations for 1922—1923, Mrs. S. Turner Foster, Mrs. Thomas Turner, Mrs. J. E. Grant.

**Wednesday, October 26th.**

At ten o'clock the meeting opened with singing "Lord while for all mankind we pray." The devotional was in charge of Mrs. Robert White of Newport, who after asking for prayers for our Home and Foreign Missionaries, carried out the theme of the day and spoke on "What does our Lord expect of His followers?" The President then gave her annual message. After touching on the work of the Synodical, the splendid efforts put forth, she said we must continue to grow and to grow spiritually as well as in good deeds and said that growth was the law of life and if we did not grow we would decay. Mrs. Paterson also spoke of the undeveloped possibilities yet within our power, and expressed the desire that the coming year might be the best in our history. The remaining hour was given to the practical demonstration of a study class of six pupils upon the platform and conducted by Mrs. M. J. Gildersleeve, Educational Secretary of the Woman's Home Board. The book used was "Unfinished Business," 2nd Chapter, dealing with the Spanish speaking people in the United States. Several methods of studying and presenting mission study were described but the thought impressed was this; that if we want to be loyal progressive Presbyterians we must know the field at home and abroad.

This closed the morning session and after luncheon we met again at 2 o'clock. After singing two verses of the hymn, "O, Zion haste, thy mission high fulfilling," prayer was offered by Mrs. James Craig of Lowell. Upon request of the President, Mrs. Carl Foster, 1st Vice-president, took the chair and presided for the remainder of the meeting. Miss Maude Kinniburgh, Sunday School Secretary of the Freedmen's Board, spoke very interestingly of her work in the South; of the little schools in the isolated districts where faithful teachers are trying to instil the knowledge of the gospel and to give the children of the negroes the education which will help them to be useful and happy. Miss Kinniburgh said "Educated and christianized these people are an asset, otherwise, a menace." After the offering and a solo, very sweetly rendered by Miss Elizabeth Johnson of Newburyport, the roll was called and 65 delegates responded.

The Foreign Field was then presented by Miss Marcia Kerr, Assistant Secretary for Young People of the Foreign Board, who spoke of the human element in the connection of the Foreign Board and the Foreign Field. Miss Kerr made an eloquent appeal to the women to bring to the young people in their churches the knowledge of what our missionaries are doing on the Foreign Field, and also appealed for some one to hear the call for service and respond, as the need was greater now than ever.

At this time the Moderator, Dr. Allison, came to bring the good wishes and approval of the Synod. Dr. Allison spoke of the remarkable history of the Old South Church and the sacred influence of George Whitfield and the various pastors. He congratulated the women on the work they had done and said it was inspiring to the Synod that the Synodical Society was reaching the high spots of successful service.

Miss Bell, Committee on Resolutions, expressed the gratitude and pleasure of all during the two days spent in Newburyport and tendered a vote of thanks to all who had made the occasion so delightful. The meeting then closed by singing two verses of "Ye gates of Brass," and prayer by Mrs. Foster.

At 8 o'clock the Young People of Newburyport gave the drama entitled "Two Masters," in a very enjoyable and well rendered manner which brought the lesson of the play home to all.

It was felt by all that one of the most profitable and interesting meetings had been our tenth annual spent in Newburyport.

(Mrs. Arthur C.) Anna C. Lewis

Synodical Secretary.

These writers feel they have something the world needs and they give that something in book form. This is surely a high aim in book writing.

## ON MISSIONS

### SUNDAY SCHOOL BUILDERS

By John M. Somerndike, Superintendent of Sunday School Missions of the Presbyterian Board of Publication and Sabbath School Work.

### UNFINISHED BUSINESS . . .

By Fred Eastman, Director of Educational Work, Board of Home Missions, Presbyterian Church, U. S. A. Recommended for mission study during 1921-1922.

"Mr. Eastman seeks in this little volume to help Presbyterians to realize what their part is or ought to be in some of the great tasks of the Christian forces in America. He has been obliged of necessity to select a few of these tasks and to present each of them in as suggestive a way as possible. And the reader will surely agree that he has done his work exceedingly well."—Robert E. Speer. **Cloth, 75 cents, postpaid; paper, 50 cents, postpaid.**

## ON WEEK DAY CHURCH SCHOOL

### WEEK DAY CHURCH SCHOOL

By Walter Albion Squires, Director of Week Day Religious Instruction, Presbyterian Board of Publication.

This book has been written on the assumption that the week day church school movement is more than an experiment; therefore, the author evaluates the movement in the entirety, as well as in its various forms in different communities. It is not based upon theory, but upon actual experience, gathered in the various communities. **Cloth, 168 pages, \$1.25, postpaid.**
